

United against the coronavirus. Visitor information.

Dear Guests,

We look forward to welcoming you again to the Gläserne Manufaktur. The health of our visitors and employees is always the top priority. Therefore, we regard it as our responsibility to take measures in the Gläserne Manufaktur at this time to prevent the further spread of COVID-19 and therefore protect us all. We ask you to please note that the following hygiene measures apply when you visit us and to do your part by making sure they are implemented – to protect everyone's health. **Thank you!**

Keep your distance.

Please maintain a distance of at least 1.5 metres between yourself and all other people. The reception area has been adapted accordingly and all paths have been marked.

Personal mouth and nose protection.

To ensure your safety as well as ours, please note that wearing mouth and nose protection is mandatory at our facility.

Observe hand hygiene.

Our sanitary amenities provide you with the opportunity to thoroughly clean or disinfect your hands. Please only touch articles in our Manufactory Shop that you are truly interested in purchasing.

Please don't touch!

Our Adventure World is open for you. We ask you to please understand that touching the exhibits is prohibited for hygiene reasons.

Payment.

If possible, we ask that you please make cashless payments.

Observe sneezing and coughing etiquette.

Please always sneeze or cough into your elbow or on your sleeve.

If you have noticed symptoms, stay at home.

If you do happen to feel sick, then please call us. Together, we will find an alternative date that works for you.

We wish you a wonderful day and hope that we can provide you with a sense of safety by implementing these measures. After all, we are truly committed to protecting your health and well-being.
